YOUR SKILLS (1st part)

ELECTRONICS & ELECTRICITY

- Active components
- Antennas et networks
- Connection
- Control systems
- Display screens
- Electrical devices
- Electron tubes
- On-board systems
- Passive components
- Sensors, controls, measures
- Sub-contracting
- Winding
- Wiring
- Others:

ENERGY

- Batteries / Accumulators of energy
- Power conditioning, management and distribution
- Power generators
- Others:

EQUIPMENT MANUFACTURER

Details:

DATA PROCESSING AND STORAGE

- Data processing, handling and storage
- Data retrieving
- Technical documentation
- Others:

COMPUTER SCIENCES

- Communication network
- Exploitation systems
- Information systems
- Modeling, simulation, algorithm
- Numerical imagery
- Process supervising
- Systems architecture
- Others:

INGENIERING, DESIGN OFFICE, R&D

- Conception
- Design
- Electronics
- Mechanics
- Modeling and calculation
- Realization, prototyping
- Others:

INSTRUMENTATION

- Diagnostics and monitoring techniques
- Measurement systems
- Physical and chemical sensors
- Others:

COMPOSITES MATERIALS

- Assembling
- Characterization of materials
- Draping
- Filament winding
- Machining
- Matrixes
- Non destructive tests
- Polymerization
- Reinforcement
- RTM (low-pressure moulding)
- Sandwich systems
- Set up materials
- Others:

MECHANICS / METALS

- Cutting
- Fabrication
- Forming
- Integration, clean room
- Jacks
- Machining
- Mechanisms - Electro-mechanisms
- Micro-mechanics
- Post-treatments
- Prototyping
- Robotics and automatisms
- Sheet metal work
- Systems of separation, pyrotechny
- Treatment
- Tribology
- Others:

MEASURES, CONTROLS, TESTS

- Metrology
- Non destructive test
- Test bench
- Others:

OPTICS AND OPTRONICS

- Analysis and engineering systems
- Instrumentation and sensors
- Optical components
- Optronics systems
- Systems and laser technology
- Others:

TOOLING

Details:

PROPULSION AND ENGINES

- Air breathing propulsion
- Chemical propulsion
- Cryogenic propulsion
- Electrical propulsion
- Others:

SERVICES

- Benchmark
- Certification
- Consultancy, audits
- Environment
- Formation
- Handling
- Industrial design
- Information
- Insurance
- Maintenance
- Packaging
- Quality
- Security, prevention, hygiene
- Transport, logistics
- Others:

STRUCTURES

- Active structures
- Engineering and controls
- Intelligent structures
- Structural manufacturing techniques
- Others:

SYSTEMS MANUFACTURER

Details:

FASTENERS SYSTEMS

Details:

MANAGEMENT SYSTEMS

- Air control
- Waste control
- Water control
- Others:

PNEUMATICS

Details:

HYDRAULICS

Details:

TECHNICAL FABRICS

- Decorating
- Finishing
- Non woven production
- Woven production
- Others:

DATA PROCESSING

- Compression, encryption
- Control
- Guidance
- Sensors
- Signal and image processing
- Others:

SPECIAL MACHINES

Details:

This document is for information purpose only. Please register directly online at www.aeroliance.com

YOUR SKILLS (2nd part)

SOFTWARES

- Development
- Ingeniering
- Quality assurance and products
- Tools
- Others:

ROBOTICS

Details:

THERMAL CONTROL

- Cryogenics
- High power radiators
- Fluid circuit
- Thermal control components
- Thermal control systems
- Others:

PLASTICS PROCESSING

- Compounding
- Extrusion
- Injection
- Moulding
- Pultrusion
- Thermoforming
- Others:

YOUR APPLICATION FIELDS

AIRLINE

- AIRPORTS
- CIVIL SATELLITES
- COMMERCIAL AIRCRAFTS
- COMMUNICATION AND NAVIGATION SYSTEMS
- DATA PROCESSING
- DISPLAY AND INSTRUMENTATION
- ELECTRONIC WAR SYSTEMS
- UAV (Unmanned Aerial Vehicle)
- GENERAL AVIATION
- GROUND INFRASTRUCTURES
- GUIDED WEAPONS

HELICOPTER

- INTEGRATED AVIONICS SYSTEMS
- MILITARY AIRCRAFTS
- MILITARY SATELLITES
- MISSILES
- ORBITERS
- RADARS SENSORS
- RADARS FOR AIR TRAFFIC CONTROL
- SPACE LAUNCHERS
- SPACE ROBOTS
- TURBOPROP
- OTHERS:

We give you the possibility to list your needs, in order to find for a partner, a supplier.
 Business meetings obtained with contractors will be a priority when editing your business meetings' planning.

BECOME AN AEROLIANCE SPEAKER

If you wish to attend a presentation during AEROLIANCE, please describe briefly the subject you want to develop.

TITLE:

TOPIC:

.....

***Caution:** Only presentation validated by the AEROLIANCE 2010 Steering Committee will be organized during the event.

YOUR PRESENTATION CONFERENCE IS FREE

GENERAL CONDITIONS OF SALES AEROLIANCE 2010:

• **Art.1.** Business convention AEROLIANCE is organized by the ARDE Auvergne and will take place in the Grande Halle d'Auvergne on the 13 and 14 of October 2010. In the event of an occurrence outside its control or of force majeure, the organizer may, as it chooses change the dates or the venue of this event or cancel it after notified the participants.

• **Art.2. Registration:** Registration for AEROLIANCE 2010 shall be definite only upon acceptance by the organizer.

• **Art.3. Cancellation:** the participant, if he cannot obtain at least 10 requests, will be able, up to 7 days before the event, ask for his business meetings to be grouped on one day and benefit a refund of 40% of the price of his registration. In the case where the participant has less than 6 requests, he will be able, in the same time limit, to ask for a cancellation and a refund of his registration (except advertising options). Except these 2 cases, no other refund for any amount whatsoever may be granted.

• **Art.4.** In there capacities as organizers, PROXIMUM Group and ARDE Auvergne are only bound to a best effort obligation.

• **Art.5. Catalogue:** If any participant does not have paid its down payment (60% of the total amount) before the technical catalogue's edition, its corporate presentation will not be included in it.

• **Art.6.** No materials shall be exhibited by the participants outside their allocated booth.

• **Art.7. Maintenance of the booth:** Every participant is engaged to insure the maintenance of his stand for the 2 days and being present on it during the event.

• **Art.8. Insurance:** Each participant shall provide a proof of insurance proving its legal liability, covering all damages for which the participant may be held liable, and in particular: theft, fire, or the deterioration or destruction of all equipment or installations.

• **Art.9. Advertising:** Subsequent to the acceptance of the registration, the organizer authorizes each participant to display the following words on its sales and advertising documents: "participant to AEROLIANCE 2010, Grande Halle d'Auvergne on the 13 & 14 of October 2010". Likewise, each participant authorizes PROXIMUM Group and ARDE Auvergne to mention the participant's attendance at the said show or business convention.

• **Art.10. Confidentiality:** In accordance with the French Data Protection Law of January 6th 1978, people sending information specifying names shall have a right to access, to correct and to delete data relating to them.

• **Art.11. Competence courts:** in the event of a dispute, the jurisdiction of Clermont-Ferrand - FRANCE shall have sole competency.

AEROLIANCE 2010 PACKAGE PARTICIPATION	Unit price (excl. VAT)	Number	TOTAL
A. BUSINESS MEETINGS PACKAGE			
This participation package gives you access to AEROLIANCE 2010 for 1 person and allow you to meet the participants in pre arranged business meetings and includes: 1) The opening of your account on our website. 2) The logistics' assistance of our team before and during the event. 3) Your corporate presentation publication in the technical catalogue sent to the participants. 4) The publication of your offer on our website. 5) The catalogue of contractors registered regrouping their presentation and needs. 6) Your daily scheduled pre-organized meetings for October 13th and 14th. 7) Access to the all-day coffee bar where you can make informal contacts.	200€
B. 6 SQM BOOTH FORMULA			
This formula includes the whole services from the business meetings package and allows you to exhibit on a 6 sqm booth: 8) An equipped booth with a flag sign, a lighting track with 3 spotlights, 1 table and 4 chairs. 9) Organization of your business meetings on your booth. 10) Two networking lunches include for October 13th and 14th 2010 (for one person).	990€
C. 9 SQM BOOTH FORMULA			
This formula includes the whole services from the 6 sqm booth formula: 11) 3 sqm additional (total booth 3x3m) + 2 more chairs. 12) 4 networking lunches include for October 13th and 14th (2 for 13th and 2 for 14th). 13) Excel file of contractors registered sent after the event.	1,250€
D. OPTIMIZE YOUR PARTICIPATION USING THE DIFFERENT OPTION TOOL			
<input type="checkbox"/> Networking lunch (price per person for the October 13th 2010).	35€
<input type="checkbox"/> Networking lunch (price per person for the October 14th 2010).	35€
<input type="checkbox"/> Second delegate accompanying the first one for the same planning including access to AEROLIANCE 2010 + limited access to the coffee break and conferences.	60€
<input type="checkbox"/> Excel file of contractors registered sent after the event.	95€
<input type="checkbox"/> Recto/verso colored A4 format advertising below your corporate presentation in the supplier's catalogue for all visitors. Please supply it with your registration form in 300 dpi. (Format: *.pdf, *.eps).	600€
